Dear Ms. Deyo:

On behalf of the veterans of Orange County, thank you for your kind holiday donation to the Orange County Veterans Food Pantry.

As you may know, every week our food pantry delivers bags of food containing 2-3 days of meals to the front doors of about 200 needy and disabled veterans across Orange County, New York.

We are living in a time when economic conditions are a challenge for many veterans, and budgets are stretched thin. Your gift will mean a great deal to the growing numbers of veterans who served our country and now find themselves in need. Again, we thank you!

For God and Country
Sincerely,

Christian E. Farrell
Director
